Scotiabank Customer Appreciation

Please mark your calendars for Wednesday, October 18th. Scotiabank is holding their annual customer appreciation day with a chance to win two tickets to the Calgary Flames vs Florida Panthers game on February 17th at 8pm

Nomination Day

Nomination day was on September 18th, we unfortunately did not get enough nominations. As per the Local Authorities and Elections Act and the Municipal Government Act we had to keep nominations open for six days in hopes of finding interested people. Well, that day has come and gone with only five people willing to serve as the Vauxhall Council. Now, a letter has been sent to the Minister to see if he will approve us to run as a council of only five. We are currently awaiting his response.

Fire Prevention Week October 8th – 14th

Thank you to our volunteers, their families and their Employers

Every year countless communities thank their firefighters and teach fire prevention. This year, the Town of Vauxhall and Council would like to thank our volunteers for their bravery and commitment to community and regional safety. We would also like to thank our often-forgotten other hero's. Thank you to all the businesses who have allowed our firefighters to leave in the middle of a shift or to miss four days of work so they can protect another community like Waterton. Thank you to the firefighter's families who have to have birthdays and holidays without their loved ones because they are off saving a home/ a life. Thank you for continuing to support their efforts even though every time the phone rings you worry for their safety.

When you are out in the community this month and see a volunteer firefighter, their family or their employer, please say Thank You.

CIBC

Well, many of you might already know that we are quite saddened to hear that our CIBC branch will be closing. The ladies at CIBC have worked hard for this community over the years, some with thirty-five years of dedication providing you with great banking service and friendship.

This is unfortunately a sign of the times, with more and more people banking online, banks are closing their smaller branches and keeping the larger ones. If you have questions, CIBC is holding a community meeting on November 23rd from 7pm -9pm at the Vauxhall Legion.
