

Town of Vauxhall Strategic Plan Survey

The Town of Vauxhall is seeking your input on the community as a whole on our future in order to plan and build on what we have as well as seek new opportunities. A Municipality is very limited in their options for collecting money to support operations and must rely on property taxes, Provincial/Federal grants, user fees, withdrawing from reserves, or taking on debt. So we invite you to become engaged and ask you to complete the following questions, your responses will be treated confidential. A consolidated summary will be made available to Council as well to any resident who would like to see the results. The completed questionnaire can be dropped off at the Town Administrative office. There is also a drop box conveniently located by the main doors.
