## **SUBDIVISION APPLICATIONS**

**2023-0-100** Board of Directors of the Bow River Irrigation District

(Lots 1, 2, 4-7 & 9, Block 17, Plan 760CM within SE1/4 10-13-16-W4M)

Use: Residential

Land Use District: Residential – R district

**RES: MPC23.32** **MOVED** by Vice Chair Coad to approve the 2023-0-100 Subdivision application with the following conditions, reasons and informative:

### **CONDITIONS:**

1. That, pursuant to Section 654(1)(d) of the Municipal Government Act, all outstanding property taxes shall be paid to the Town of Vauxhall.
2. That, pursuant to Section 655(1)(b) of the Municipal Government Act, the applicant or owner or both enter into and comply with a Development Agreement with the Town of Vauxhall which shall be registered concurrently with the final plan against the title(s) being created.

### **REASONS:**

1. The proposed subdivision is consistent with the South Saskatchewan Regional Plan and complies with the Municipal Development Plan and Land Use Bylaw.
2. The Subdivision Authority is satisfied that the proposed subdivision is suitable for the purpose for which the subdivision is intended pursuant to Section 9 of the Matters Related to Subdivision and Development Regulation.
3. With the variances granted, the subdivision complies with the Land Use Bylaw.
4. The Subdivision Authority granted a variance to the minimum lot length requirement and minimum lot area requirement to accommodate the proposal.
5. AB Transportation has authorized the Subdivision Authority to vary the requirements of Sections 18 and 19 of the Matters Relating to Subdivision and Development Regulation to accommodate the proposal.

### **INFORMATIVE:**

- (a) Since the proposed subdivision complies with Section 663(c) of the Municipal Government Act, Reserve is not required.
- (b) That a legal description for the proposed parcel be approved by the Surveys Branch, Land Titles Office, Calgary.
- (c) The applicant/owner is advised that other municipal, provincial or federal government or agency approvals may be required as they relate to the subdivision and the applicant/owner is responsible for verifying and obtaining any other approval, permit, authorization, consent or license that may be required to subdivide, develop and/or service the affected land (this may

include but is not limited to Alberta Environment and Protected Areas, Alberta Transportation, and the Department of Fisheries and Oceans.)

(d) The Subdivision Authority granted a variance to the minimum lot length requirement and minimum lot area requirement for lots zoned Residential in accordance with Section 654(2) of the Municipal Government Act to accommodate the proposal.

(e) Telus Communications Inc has no objection

(f) In reference to the above request, please be advised of ATCO Gas' response and notify the landowner of the following:

ATCO Gas has no objection

ATCO Gas has no need for a Utility Right of Way currently

ATCO Gas would also like to make the MD/County and Landowner/Developer aware of the following:

- If conducting any ground disturbance on the subject property, the landowner/developer must ensure the location of all utilities by contacting Utility Safety Partners at 1-800-242-3447 or <https://utilityafety.ca/>
- For any ground disturbance within 30m of an existing gas line please contact [Crossings@atcogas.com](mailto:Crossings@atcogas.com) to obtain permission (submit locate slip as back up)
- ATCO Gas requires a minimum of 6 months' notice to design and construct a new gas line, or alter an existing gas line. New Service installations, pipeline alterations, and Main extensions will be performed at the landowner/developers expense.
- If the landowner requires a single gas service please visit <https://gas.atco.com/en-ca/products-services-rates/new-services-changes/new-natural-gas-line.html>

Any further questions please email [southlandadmin@atco.com](mailto:southlandadmin@atco.com).

(g) Alberta Transportation – Leah Olsen, Development/Planning Technologist:

"This will acknowledge receipt of your circulation regarding the above noted proposal. The subsequent subdivision application would be subject to the requirements of Sections 18 and 19 of the Matters Related to Subdivision and Development Regulation (The Regulation), due to the proximity of Highway(s) 36

Transportation and Economic Corridors offers the following comments with respect to this application:

The requirements of Section 18 of the Regulation are not met. The department anticipates minimal impact on the highway from this proposal. Pursuant to Section 20(1) of the Regulation, Transportation and Economic Corridors grants approval for the subdivision authority to vary the requirements of Section 18 of the Regulation.

The requirements of Section 19 of the Regulation are not met. There is no direct access to the highway and there is sufficient local road access to the subdivision and adjacent lands. Pursuant to Section 20(1) of the Regulation, Transportation and Economic Corridors grants approval for the subdivision authority to vary the requirements of Section 19 of the Regulation.

Further, should the approval authority receive any appeals in regard to this application and as per Section 678(2.1) of the Municipal Government Act and Section 7(6)(d) of the regulation, Transportation and Economic Corridors agrees to waive the referral distance for this particular subdivision application. As far as Transportation and Economic Corridors is concerned, an appeal of this subdivision application may be heard by the local Subdivision and Development Appeal Board provided that no other provincial agency is involved in the application

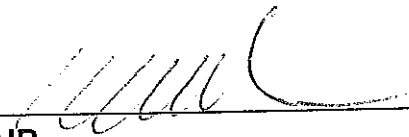

Transportation and Economic Corridors has the following additional comments and/or requirements with respect to this proposal:

1. The department expects that the municipality will mitigate the impacts of traffic generated by developments approved on the local road connections to the highway system, pursuant to Policy 7 of the Provincial Land Use Policies and Section 618.4 of the Municipal Government Act”

(h) ATCO Transmission high pressure pipelines has no objections. Questions or concerns related to ATCO high pressure pipelines can be forwarded to [hp.circulations@atco.com](mailto:hp.circulations@atco.com).

Cris Burns  
Town of Vauxhall

Dear Mr. Burns,

RE: Alberta Community Partnership Grant- Intermunicipal Collaboration

The Town of Bow Island is requesting the support of the Town of Vauxhall in our application for an Alberta Community Partnership Grant to complete a Regional Water Treatment Plant Infrastructure Assessment.

The Highway 3 Regional Water Services Commission has partnered with the Vauxhall and District Regional Water Services Commission to complete an assessment on both Water Treatment Plants.

The partnership will undertake the following activities:

1. Data collection, site inspection, and review and analysis of background information including historical water use, record information (e.g., flow and water quality), and supporting regional agreements.
2. Engineering assessment and analysis of existing water system to evaluate condition and design capacity, raw water supply, cost effectiveness, and scaling.
3. Technical review of regulatory requirements, bylaws, and policies.
4. Development of a regional water system expansion conceptual plan including an infrastructure assessment and options.
5. Development of regional water supply treatment facility design options, recommendations, and implementation strategy to facilitate a sustainable water supply.
6. Municipal stakeholder consultations.
7. Updates to 10-year capital plans.

The estimated project cost is \$200,000 and the Town is requesting that the Town of Vauxhall provide a resolution of support in our application. Suggested wording for the resolution:

*So moved that the Town of Vauxhall supports the Town of Bow Island's submission of a 2023/2024 Alberta Community Partnership Grant application in support of the Regional Water Treatment Plant Infrastructure Assessment. There is no matching contribution required.*

Please contact me if you have any questions, thank you for your support.

Yours Truly,

Tripartite Regional Emergency Management Plan

**Background:**

The Municipal District of Taber is interested in submitting application, as the managing partner, to the Alberta Community Partnership (ACP) Grant Program for Review and Update of the Tripartite Regional Emergency Management Plan, in partnership with the Town of Vauxhall and Village of Barnwell.

The application is being prepared and will include current requirements for emergency management plans, in alignment with AEMA and provincial recommendations in an effort to adequately support our communities in the region with linkages and considerations for neighbouring plans that include the Town of Taber.

In support of this ACP Intermunicipal Collaboration Grant Application to Review and Update of the Tripartite Regional Emergency Management Plan, we ask that each participating municipality show councils support with the following motion.

**Proposed Motion**

Moved by Councillor \_\_\_\_\_ to approve participating with the Municipal District of Taber in applying for an Alberta Community Partnership Intermunicipal Collaboration Funding grant, to fund the Review and Update of the Tripartite Regional Emergency Management Plan.

# Municipal District of Taber Request for Decision

**Provided By:** Community Services

**Date Provided:** September 26, 2023

**Subject** Consider partnering with the Town of Vauxhall and Village of Barnwell in application to the Alberta Community Partnership (ACP) Intermunicipal Collaboration Program with a project centered around updating our Regional Emergency Management Plan (REMP).

**Urgent:** No

**Closed Session:** No

**Strategic Alignment:** Fire Services Master Plan - Recommendations

## RECOMMENDATION

That; the MD of Taber approve application, as the managing partner, for a Regional Emergency Management Plan Update Project to the Alberta Community Partnership Intermunicipal Collaboration Grant Program in partnership with the Town of Vauxhall and Village of Barnwell.

## SUMMARY OF KEY POINTS

The Municipal District of Taber, the Town of Vauxhall and the Village of Barnwell recognize the need for a current and effective REMP which satisfies both legislative requirements placed on each municipality and the needs of our communities. As a partnership we understand that we are more effective together reducing the constraints that are on a single municipality or worse on smaller municipalities, in providing the resources necessary to satisfy such a program that includes management, planning, trained and developing experienced personnel.

The purpose of the proposed Regional Emergency Management Plan Update Project is to provide essential resources and specializations to continue to develop, implement and support a current and effective plan for responding to emergencies within our region. Our project includes a review of each municipalities existing programs and resources, proposals to each municipal council with recommendations that support a regional program, and through consultation with each council, the update and implementation of a current REMP.

## BACKGROUND

The current Tripartite Regional Emergency Management Plan that includes the Municipal District of Taber, Town of Vauxhall and the Village of Barnwell was adopted in 2018 and has had various modifications made leading up to the end of 2020. Since the plan was adopted and last updated many individuals, in many of the emergency roles, have changed throughout the municipalities. These changes contribute to a natural lack of familiarity with the plan, processes, and its execution along with some loss of specialized training and skill. Ensuring plan familiarity and effective ongoing implementation across partnering organizations can be a challenge in itself with a complex 216 page emergency plan.

As with most municipalities, resources are limited including available time and expertise related to emergency program development and management. Opportunities for alternative funding that are aimed at regional partnerships and recognize the importance of planning and management are a natural fit for regional emergency plan building and updates, especially is regional approaches that span multiple municipalities.

## **RATIONALE FOR RECOMMENDATION**

### *Applicable Policies & Legislation*

Municipal Government Act (MGA) Section 3(d) outlines that one of the purposes of a municipality are to work collaboratively with neighbouring municipalities to plan, deliver, and fund intermunicipal services.

### *Success Measures*

Project completion, consistency in approaching emergency management throughout the region, continued partnering and a clear understanding of the plan and its execution through continued practise.

### *Budget & Resource Implications*

None

### *Stakeholder Implications*

Renewed partnerships and management plan that includes current aspects of emergency management that is completed in the hands of current Staff and Council.

### *Inter-Governmental Implications*

Provincial support for regional partnerships and emergency management are realized through ACP Grant Program priorities.

### *Organizational Implications*

Emergency Management Services supports a regional approach to emergency management that includes many critical elements such as program administration, policy, planning, partner coordination, emergency social services (ESS), training exercise, emergency role training and continued plan review. Regional emergency management plans are ideal for these types of projects and applications that should be reviewed in their entirety with input from a broad spectrum of expertise and skill that includes internal, external and industry leaders to ensure currency and effectiveness.

### *Environmental Considerations*

N/A

### *Consultations & Communications*

Town of Vauxhall and Village of Barnwell as partnering municipalities. Project and application support resolutions have been requested from partnering municipalities.

### *Legal Considerations*

N/A

## **ALTERNATIVES**

That; The MD of Taber receives the grant submission proposal for a Regional Emergency Management Plan Update Project to the Alberta Community Partnership Intermunicipal Collaboration Grant Program as information.

Benefits: No additional resources required

Risks: Consideration of intermunicipal relationships may be relevant. Regional emergency planning is a priority today with the Alberta Government, and it may not have the same support in future years.

Currency is an important part of maintaining an effective REMP and can include significant costs and resources.

## **ATTACHMENTS**

NA

### **NEXT STEPS/IMPLEMENTATION**

If approved the Municipal District of Taber will prepare a resolution of support letter to accompany application to the ACP Intermunicipal Collaboration Grant Program for a Regional Emergency Management Plan Update Project. Request for application support letters from partner municipalities will be gathered along with the application package.

## **Detachment Commander's Comments**

- The Detachment laid charges in 7 criminal investigations during the month of August.
- The Detachment responded to 4 complaints of Family Violence in the month of August. Charges were laid where evidence existed that an offence had been committed, and all available supports were provided to the Victims.
- The Detachment and employee's families participated in the Cornfest Parade. 4 members were in red serge and walked the parade route, one member drove a marked Police Vehicle towing the RCMP Boat, and our support staff and family members rode in the boat. Over \$400 in candy was distributed to attendees, and our participation seemed to be well received.

ALBERTA  
MUNICIPAL AFFAIRS

Office of the Minister  
MLA, Calgary-Shaw

MINISTERIAL ORDER NO. MSD:001/23

I, Rebecca Schulz, Minister of Municipal Affairs, pursuant to Section 604 of the *Municipal Government Act*, make the Municipal Census Regulation as set out in the attached Appendix.

Dated at Edmonton, Alberta, this 28<sup>th</sup> day of March, 2023.

Rebecca Schulz  
Minister of Municipal Affairs

**FILED UNDER**  
**THE REGULATIONS ACT**  
**AS ALBERTA REGULATION 88/2023**  
**ON APRIL 6 20 23**  
  
**DEPUTY REGISTRAR OF REGULATIONS**

(2) For the purposes of this Regulation, the “usual residence” of a person is a location within a municipal authority with a residential street address or physical address that

- (a) is the main dwelling site of the person on census day, and
- (b) is the place where the person lives and sleeps and to which, when the person is absent from it, the person intends to return.

(3) Notwithstanding subsection (2),

- (a) the “usual residence” of a person who has been in an institution, such as a correctional institution or hospital, for less than 6 months is deemed to be the place that was the person’s usual residence before the person entered the institution, and
- (b) a student who
  - (i) is in attendance at an educational institution within or outside Alberta,
  - (ii) is residing in a place temporarily for the purpose of attending an educational institution, and
  - (iii) has family members who are usually resident in Alberta and with whom the student usually resides when not in attendance at an educational institutionis deemed to reside with those family members.

#### **Municipal Census Manual**

**2** The Minister, by order, shall issue a Municipal Census Manual and may amend the Manual from time to time.

#### **Census rules**

**3(1)** A municipal authority that wishes to conduct a municipal census must

- (a) notify the Minister’s department by February 28 of the year in which the census will be conducted that the municipal authority will be conducting a municipal census and whether the municipal authority will count the

(2) The Minister shall determine whether the shadow population count in a municipal authority will be included as part of the municipal authority's population total.

(3) A shadow population count that is included in a municipal authority's population total shall be removed from the municipal authority's population total on the release of the next federal census for the municipal authority.

**Review of census results**

5 The Minister may direct a municipal authority to provide information regarding a municipal census to the Minister, in the form and manner determined by the Minister, for the purposes of reviewing a municipal census result.

**Change in geographic area**

6 If the geographic area of a municipal authority changes after June 30 in a year in which the municipal authority has conducted a municipal census, the Minister may require the municipal authority to update the results of the census and submit the updated results to the Minister in accordance with the directions of the Minister.

**Use of census data**

7 The Minister may use the results of a municipal census and shadow population count to determine the population of a municipal authority, as published by the Minister's department from time to time.

**Expiry**

8 For the purpose of ensuring that this Regulation is reviewed for ongoing relevancy and necessity, with the option that it may be repassed in its present or an amended form following a review, this Regulation expires on November 30, 2032.

## The Alberta Municipalities' 2023 Convention & Trade Show Edition

### ABmunis in the News

St. Albert Mayor Cathy Heron presided over her final Alberta Municipalities convention, which began in Edmonton on Sept. 27. Her term "has been a fantastic and humbling opportunity," she told reporters, adding it's a "big job to be president of this association, but I know it will be in good hands." Tyler Gandam was elected to replace Cathy Heron as President of Alberta Municipalities on Friday morning.

St. Albert Mayor Cathy Heron, Legal Mayor Trina Jones, and Wetaskiwin Mayor Tyler Gandam met with reporters ahead of the association's convention. Among Heron's most pressing concerns is a projected \$1 billion capital funding deficit under the Local Government Fiscal Framework. The LGFF is set to provide municipalities \$722 million in capital funding per year for the next three years, but municipalities are looking for \$1.75 billion. "I know that sounds like a lot of money but we really honestly feel if we're going to achieve some of the province's objectives through their Alberta's Calling campaign and to be one of the best provinces in Canada to live and work, we need funding in municipalities to make that happen," Heron said.

"The province currently extracts \$2.5 billion from property taxes for education and we are asking for \$1.75 billion of that to be returned," Heron to a massive round of applause at the Alberta Municipalities convention on Sept. 28. The resolution to ask the province to increase LGFF capital funding to \$1.75 billion per year passed with 98% support.

Other resolutions passed at the convention include: calling on the provincial government to not introduce political parties to municipal elections with 95% support; and requesting that Alberta Municipalities advocate for the amendment of the Local Authorities Election Act to prohibit partisan endorsements and donations to local candidates with more than 80% support.

New data from Statistics Canada shows that Alberta's total population is now 4.7 million after growing by 4.1% during the 12 months ending in July, the fastest rate of growth in the country. That growth is putting additional strain on infrastructure in the province, which Alberta Municipalities estimates faces a deficit of \$30 billion. "Unless the provincial government allots substantially more funding for local infrastructure than it does now, municipalities will be unable to deliver on the claim that Alberta is the best province in Canada in which to work, live and raise a family," Alberta Municipalities president Cathy Heron said.

A new report commissioned by Alberta Municipalities and the University of Calgary's School of Public Policy has found that municipalities in the province are struggling to retain top administrators. The average tenure of a chief administrative officer in Alberta is now less than the length of one council term and has been declining for the past 20 years. The report emphasizes the costly consequences of high turnover, including financial costs, organizational disruption, and the diversion of energy from other priorities.

Airdrie city council voted to support three resolutions for consideration at the Alberta Municipalities convention. The first relates to funding for rent assistance, the second focuses on provincial funding for growing municipalities, and the third calls for a review of the vehicle collision reporting damage threshold. Airdrie's delegates to the conference are Mayor Peter Brown, Coun. Tina Petrow, and Coun. Heather Spearman.

Calgary city council is preparing to consider 30 recommended investments as part of upcoming budget adjustments, including items related to transit, affordable housing, administrative improvements, fire services, parks, and more. However, council recently heard the city has seen an average annual funding gap of \$311 million since 2007 due to the city needing to take on provincial responsibilities, including funding housing, mental health support, and public safety. Mayor Jyoti Gondek said the city supports the resolution at the Alberta Municipalities convention to increase LGFF capital funding to \$1.75 billion per year starting in 2024.

Cochrane Mayor Jeff Genung and Mayor Bernie Poulin of the Summer Village of Silver Springs have been named recipients of the 2023 Alberta Municipalities Award of Excellence, which acknowledges outstanding civic leadership by municipal elected officials who have held office for at least three years in Alberta.

Grande Prairie Coun. Dylan Bressey is running to be named the Director and Vice President of Cities under 500,000 for Alberta Municipalities. "As I've had the opportunity to travel across Alberta, I've seen that the challenges we are having in Grande Prairie aren't unique to Grande Prairie. All cities across the province are facing a lot of the same challenges," Bressey said. Delegates will vote to fill nine positions on the Alberta Municipalities board on Sept. 29.

Innisfail decided against putting forward a resolution related to the provincial moratorium on alternative energy projects in part because only Caroline and Innisfail raised public concerns. Innisfail Mayor Jean Barclay said the proposed resolution "likely wasn't broad enough; it wasn't impacting enough municipalities." The town has already sent letters to officials, and Barclay was scheduled to talk with Municipal Affairs Minister Ric McIver at the Alberta Municipalities convention.

Olds agreed to second a resolution for the Alberta Municipalities convention put forward by Sundre that calls for expanded capacity to train combined laboratory and X-ray technologists for rural Alberta. "We want our ER open 24 hours-a-day, and Sundre is really reaching out for help to make this happen," said Sundre Mayor Richard Warnock. Delegates were scheduled to vote on several resolutions focusing on rural Alberta, including ones that call for measures to address rural homelessness, increase rural access to addictions and mental health supports, and attract health care workers to small communities.

Picture Butte has installed two electric vehicle charging stations in the Cor Van Raay and Community Aquatic Centre parking lot. The two stations were funded with \$110,000 through the Municipal Climate Change Action Centre, a partnership between Alberta Municipalities, Rural Municipalities of Alberta, and the province.

Red Deer Mayor Ken Johnston said his top priority at the Alberta Municipalities convention is to discuss the need for more provincial investment in permanent supportive housing. A 2019 study found the city was short 77 spaces for people needing supportive housing. Next year's convention will be held in Red Deer, which will host every third year going forward.

St. Albert has received the Municipal Environmental Award from Alberta Municipalities for the development of Grey Nuns White Spruce Park on Hogan Road. "Grey Nuns White Spruce Park has great historical and environmental significance in our community," said Mayor Cathy Heron. "This award is a result of the city's ongoing commitment to protect natural spaces while maintaining accessibility."
