Vauxhall Public Library

General Board Meeting
June 17, 2026

In Attendance: Petra Klempnauer, Linda Bexte, Bev Brummelhuis, Norma Peters, Sara Wall, Lucy Norris, Terry Culver-Franz, Kim Cawley

Apologies: Marilyn Forchuk, Lena Martens

Call to Order: 7:02 PM

Approval of Agenda: Moved by Petra. Kim second.

Approval of Minutes from the April1, 2026 meeting: Moved by Terry. Petra second.

Correspondence: Lucy read Town of Vauxhall Library Board appointment of Norma Peters. Welcome Norma!

Town of Vauxhall Report: No Report.

Board Chairperson's Report: Lucy read Lena's report.

Library Manager's Report: Linda reported as per attached.

Financial Report: As per attached. Terry noted that we have received funding from the Town of Vauxhall (Local Appropriation) and the MD of Taber Library Board but are yet to receive our Provincial Operating Grant as this application including Receipts and Disbursements has just been filed. Terry also noted that the library is under budget for staff wages compared to this time last year but will still be eating into our reserves to cover this year. Kim motioned to approve the financial report. Petra second. Carried.

Presentation: Lucy attended the Public Library Board Training offered in Brooks a couple weeks ago. She noted that a FOIP Program can be viewed online from 9:00-12:00 on June 24th. One of the things that Lucy noted was that there is usually a board orientation for new members.

Bylaws state that library boards are required to have a minimum of 5 members and a maximum of 10. These members are appointed for a 3-year term as indicated on the Town of Vauxhall Library Board Appointment letter. At the end of the three years (indicated on the letter), the board member may apply for up to an additional 2 (3-year) terms. If at any time they wish to step down from the board, they are required to notify the Town of Vauxhall.

Lucy also indicated that if a board member misses 3 consecutive meetings, they are considered removed from the board. In discussion of current board member, Paulina Thiessen who has missed

3 consecutive meetings, it was recommended that a letter be sent to her asking if she is still interested or if she wished to be removed from the board.

Ethics of the board members was also discussed. It is advised, regardless of how a member may have voted, that when asked in public about any board decisions, they respond only with the board decision.

Motions by Email are ill advised as all Library Board Meetings are open to the public and making a motion by email removes the public opportunity to weigh in on decisions,

Our library currently only meets 4 times per year; it was noted that most Library Boards meet once a month. We will discuss this further under new business.

Old Business:

Library Board Chair position and signing authority.

Petra nominated Lucy Norris for the position of Board Chair. Terry second. No further nominations. Kim called for nominations to cease. The board appoints Lucy as Library Board Chair.

New Business:

Lucy recommended that the library board meet as often as once a month. Petra felt there was no need. Bev felt it was too difficult to accommodate more frequent meetings. Kim was also satisfied with the number of meetings. Linda noted meeting more often would prevent the meeting from running long as this meeting would. Terry would prefer for the meetings to occur mid-month to ensure the previous month can be reconciled prior to the meeting. It was a majority consensus to keep the meetings as they are and to call a special meeting if needed.

Bill 28:

Linda provided an overview of Bill 28 introduced into legislature April 2, 2026. Bill 28 makes amendments to the Libraries Act establishing ministerial oversight to allow the Minister to initiate a review or respond to complaints about libraries. It also adds regulation-making authority to enable the Minister to introduce province-wide standards ensuring age-appropriate materials for children and youth. The main concern expressed by the Coalition of Alberta Public Libraries (CAP Libraries) is that this will allow the government to investigate ANY aspect of a public library's governance and operations and issue binding directives to overrule the decision-making power of your library board. Despite CAP's response to Bill 28, it was passed in the Alberta Legislature mid-May 2026.

Grill Day Fundraiser:

South Country Coop staff member Jordyn invited Linda to apply for the opportunity to host a Grill Day Fundraiser at participating Coop locations, in this case, Taber. Vauxhall Public Library was selected to have a Grill Day on Friday, July 3rd at Taber Coop Food store. Coop provides a Grill Day Starter Kit including a BBQ, tables, burgers (40), hot dogs (36), buns, pop, water , condiments and

popcorn, to a value of $300.00. Any money made goes directly to the library. Linda noted that she applied for the funding for library programming.

Friends Wishlist:

Petra motioned that Linda should send the Wishlist to the Friends for approval and to send a second proposal to the town for maintenance items. Norma second. Carried.

Petra has done some investigating on behalf of the Friends of the Vauxhall Public Library and determined that the Friends approval to cover 45% of the Library Manager's wages until the year 2100, is still in effect. The wage at that time was $17.00/hour calculating to $7.65. It was decided that despite the increase to the Library Manager's wages, they would continue to pay at $7.65/hour.

Linda mentioned that she had some more expensive items on her Wishlist but now knowing the Friends are still able to pay a portion of the wages will use most of their casino proceeds to cover this.

POPA – Designate a Privacy Officer

Terry moved to designate the "Library Manager" as the Privacy Officer. Kim Second. Carried.

POPA – Privacy Management Plan and Policy (P-10)

Kim moved to accept the PMP as presented. Norma second. Carried.

POPA and ATIA Policy (P-11)

Kim moved to accept the policy. Terry second. Carried.

Records Management Policy (P-12)

Petra moved to accept Policy P-12. Norma second. Carried.

Request for Consideration of Library Materials Form
Request to Correct Personal Information Form
VPL Informed Consent for Disclosure of Personal Information Form
Petra moved to accept the above forms with the note that they need corresponding numbers in the Table of Contents. Kim second. Carried

Procedure for Responding to a Privacy Breach

Kim moved to accept the Procedure as outlined. Norma second. Carried.

Next meeting: September 23, 2026

Adjournment: Terry moved to adjourn the meeting at 9:04 PM. Kim second. Carried.

Alberta Transportation and Economic Corridors

Traffic Safety Services Division
4999 – 98 Avenue
Twin Atria Building
Edmonton, AB T6B 2X3
Canada
Telephone: 780-913-7581

Dear Chief Administrative Officer:

I am writing on behalf of Transportation and Economic Corridors to advise municipalities of changes to the administration of Alberta's Automated Traffic Enforcement (ATE) program.

Effective October 15, 2026, program administration and oversight of ATE transferred from the Ministry of Public Safety and Emergency Services to Transportation and Economic Corridors under the new Pilot Project (ATE) Regulation. This five-year pilot project will evaluate the effectiveness of ATE as a traffic safety measure while aligning program administration with the department's traffic safety mandate.

While the department will assume responsibility for program administration and oversight, the Minister of Transportation and Economic Corridors will hold decision-making authority under the regulation. The department, in collaboration with the municipality, will assess each approved ATE site at least once every two years to confirm that it continues to meet the exception requirements.

Day-to-day program requirements remain largely unchanged. Existing approved ATE sites, including approved exemption sites, will automatically carry over under the new regulation and do not require reapplication. Applications under review by Public Safety and Emergency Services prior to October 15, 2026, have been transferred to Transportation and Economic Corridors for consideration. Please note that any ATE site application denied by the Minister will not be eligible for reapplication until one year from the date the municipality receives notice of the decision.

Additional information, including the 2026 ATE Manual and application forms, is available here: www.alberta.ca/photo-radar-alberta. My department, in collaboration with the Ministry of Municipal Affairs, will coordinate meetings with municipalities to provide an overview of the ATE program and address any questions.

Thank you for your continued partnership in supporting traffic safety in communities across Alberta.

Sincerely,

Lynn Varty, MAL, CEC, PMP
Assistant Deputy Minister, Traffic Safety Services
